## United States Senate

WASHINGTON, DC 20510-1904

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments from this past year.

Maine has the oldest average age in the nation. As Chairman of the Senate Aging Committee, my top three priorities for the Committee are fighting fraud and financial abuse directed at our nation's seniors, increasing investments in biomedical research, and improving retirement security. Following the Committee's investigation into skyrocketing prescription drug costs, I authored bipartisan legislation to foster generic competition, which was signed into law. The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for seniors to report suspected fraud and receive assistance. To support the 40 million family caregivers in the United States, I am proud to have authored the RAISE Family Caregivers Act to create a coordinated strategy to support family members who make countless personal and financial sacrifices to care for their loved ones.

The opioid crisis touches families and communities across our state. As a member of the Appropriations Committee, I fought for significant increases in funding to support community, law-enforcement, and public health efforts. In April, the State of Maine was awarded over \$2 million to fight this devastating public health crisis. Additionally, I have authored legislation to support grandparents and other extended family members who are raising grandchildren as a result of the nation's opioid epidemic.

Biomedical research has the potential to improve and save lives, and also supports good jobs at research facilities here in Maine. Last year, the Appropriations Committee approved a \$2 billion increase for the National Institutes of Health for the third consecutive year. This includes an increase of nearly 30 percent for research on Alzheimer's, our nation's most costly disease. As founder and co-chair of the Senate Diabetes Caucus, I work to raise awareness of the threats posed by diabetes, invest in research, and improve access to treatment options. My bill to establish a national commission of health care experts on diabetes care and prevention was signed into law in 2017.

We owe our veterans so much. Last year, I worked to secure the authorization of a Community-Based Outpatient Clinic in Portland to support the health care of Maine's veterans in the southern part of our state. I also worked to secure funding extensions to help veterans throughout rural Maine receive health care within their communities. I also worked to secure funding for housing vouchers for veterans to reduce veterans' homelessness.

Maine's contributions to our national security stretch from Kittery to Limestone. I successfully advocated for critical funding for projects at the Portsmouth Naval Shipyard for construction of an additional ship that will likely be built at Bath Iron Works. This funding will strengthen our national security and preserve great jobs in our state.

As chairman of the Transportation and Housing Appropriations Subcommittee, I worked to increase funding for the TIGER program that has provided Maine with more than \$122 million for vital transportation projects. For housing, I worked to provide \$160 million to help communities protect children from the harmful effects of lead poisoning.

Growing our economy remains a top priority. I supported the comprehensive tax reform bill because it will help lower- and middle-income families keep more of their hard-earned money; boost the economy; and encourage businesses, both small and large, to grow and create jobs here in Maine and around the country. This legislation contains key provisions I authored that are important to Mainers, including preserving the deduction

for state and local taxes, expanding the deduction for medical expenses, and enabling public employees such as firefighters, teachers, and police officers, as well as clergy and employees of nonprofits, to make "catch-up" contributions to their retirement accounts. I led the effort to ensure that the tax cut will not trigger automatic budget cuts to Medicare or any other programs.

A Maine value that always guides me is our unsurpassed work ethic. As of December 2017, I have cast more than 6,500 consecutive votes, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Hancock County and Maine in the United States Senate. If ever I can be of assistance to you, please contact my Bangor office at 207-945-0417 or visit my website at [www.collins.senate.gov](http://www.collins.senate.gov). May 2018 be a good year for you, your family, your community, and our state.

Sincerely,

A handwritten signature in dark ink, reading "Susan M. Collins". The signature is fluid and cursive, with the first name "Susan" and last name "Collins" clearly legible, and the middle initial "M" written in a smaller, more stylized script.

Susan M. Collins  
United States Senator

STATE OF MAINE  
OFFICE OF THE GOVERNOR  
1 STATE HOUSE STATION  
AUGUSTA, MAINE  
04333-0001

PAUL R. LePAGE

GOVERNOR

Dear Citizens of Mariaville:

For the past seven years as your Governor, my priority has been to make Maine—our people—prosper. Helping you keep more money in your wallet by reducing taxes has been part of that mission.

Too many Maine families are facing skyrocketing property taxes that strain household budgets. Our elderly on fixed incomes are particularly vulnerable to these increases. School budgets are often blamed for annual increases in property taxes. But there's another reason. A tremendous amount of land and property value has been taken off the tax rolls, leaving homeowners to pick up the tab.

As of 2016, towns and cities owned land and buildings valued at nearly \$5.5 billion statewide. Large and wealthy non-profits, such as hospitals and colleges, often escape paying property taxes on their vast real estate holdings—totaling more than \$5.1 billion statewide.

In Maine, nearly 2.5 million acres of land have been set aside for conservation by the federal and state governments and non-profit organizations, including land trusts. Municipalities are losing out on property taxes on an estimated \$2 billion in land that has been either removed from the tax rolls or prohibited from development—shifting the cost of municipal services to local homeowners through higher property taxes.

It's time to recognize the results of taking property off the tax rolls and identify solutions to reduce the burden on our homeowners. My administration's proposals have been met with staunch resistance.

In 1993, about 35,800 acres of land were documented as land-trust owned. That number has increased by an astonishing 1,270 percent. Land trusts now control over 490,000 acres with an estimated value of \$403 million. We must restore the balance. We will be working this session to ensure all land owners are contributing to the local tax base. It's time for them to pay their fair share.

I encourage you to ask your local officials how much land in your municipality has been taken off the tax rolls, as well as how much in tax revenue that land would have been contributing today to offset your property taxes.

If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at [www.maine.gov/governor](http://www.maine.gov/governor).

Sincerely,

A handwritten signature in dark ink that reads "Paul R. LePage".

Paul R. LePage  
Governor

January 3, 2018

Dear Friends,

Representing Maine in the United States Senate is an honor.

I continue my work on the Senate Armed Services Committee, each year authorizing the funding required to build our military capabilities and ensuring that our service members are trained and equipped to defend our nation. I was pleased to be part of a bipartisan effort to enact a new law to simplify the appeals review process to reduce the backlog our veterans are facing, as well as a new law that provides critical funding to the VA Choice Program, allowing veterans in rural Maine to access services closer to home.

While my committee work is important, working to combat the opioid epidemic is one of my top priorities. Although Congress has made some important strides, much remains to be done to provide additional funding for prevention, treatment and enforcement. I am working with colleagues on both sides of the aisle to pressure the Drug Enforcement Administration to reduce the amount of opioids produced and to thwart the flow of fentanyl and other deadly drugs into our country.

I am very optimistic about the integrated, multiagency effort I led with Senator Collins to foster innovation and commercialization in Maine's forest economy. Through the Economic Development Assessment Team (EDAT) we are already experiencing increased federal investments that will strengthen our existing forest products industry and help support job creation in rural communities. Initiatives like Cross Laminated Timber, Combined Heat and Power, nanocellulose, 3D printing with biobased materials and other biobased products will mean that Maine's wood-basket will continue to be a major jobs and economic contributor for our future.

Finally, the coming year will continue the work of the Senate Select Committee on Intelligence in the ongoing investigation of Russian interference in the 2016 election. Our Committee has held seven public hearings and numerous classified sessions, reviewed tens of thousands of pages of documents and conducted hundreds of interviews. I remain focused on the security of our elections and committed to developing strategies to prevent interference by foreign governments in our democracy.

May 2018 be a good year for you, your family, your community and our great State.

Best,

A handwritten signature in cursive script that reads "Angus S. King, Jr." The signature is written in dark ink and is positioned above the printed name.

Dear Friends and Neighbors:

I would like to thank you for the opportunity to represent you in the Maine Senate. It has been an honor to serve you for four terms and I can hardly believe that I will be termed out after this coming November. I have met thousands of people living in Hancock County that I never would have met any other way. Representing this district with its unique communities ranging from islands to unorganized territories has truly been the best experience of my life.

On August 2, Maine lawmakers finally adjourned for the year, after what proved to be the longest session in recent memory due to a brief government shut down over budgetary disagreements. While no state budget is ever perfect, the end product was a state budget that makes a record investment in our students, supports our communities and will tremendously benefit small businesses and our economy.

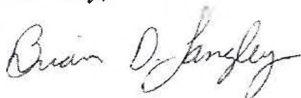

Perhaps the most significant action the Legislature took last year, as part of the biennial budget, was the removal of the burdensome, job-killing surtax that was already hurting small businesses, doctors and other professionals that we so critically need. In November 2016, voters sent a clear message that education funding was to be a priority of the 128th Legislature, and we heard that message loud and clear. However, the funding mechanism which was included in the measure – the surtax – presented a serious threat to the state's economy. This new tax gave Maine the ominous distinction of being the highest-taxed state in the country and primarily impacted small businesses, which are the backbone of our economy, taxing them at a rate that is higher than larger corporations are subject to pay. I am proud to say that after much hard work and negotiating and thanks to our rebounding economy, we were able to support our local schools at a level we have never been able to before – without any additional taxation.

The Homestead Exemption, which provides much-needed property tax relief for homeowners, was also preserved in the budget with an increased exemption of \$20,000.

The Legislature also passed a measure to make Maine compliant with the REAL ID Act. As a result of this important new law, the federal government has granted Maine a waiver, meaning that Maine citizens can continue to use their driver's licenses to board commercial airplanes and access certain federal buildings.

While we accomplished much, there is still a lot of work ahead of us next session. Again, thank you for putting your trust in me to represent you. Please feel free to contact me if you need help in navigating the state bureaucracy. I can be reached in Augusta at 287-1505 or by email at [brian.langley@legislature.maine.gov](mailto:brian.langley@legislature.maine.gov). Thank you for allowing me to be your senator.

Sincerely,

Senator Brian Langley

February 2018

Dear Friends and Neighbors;

Thank you for the opportunity to again serve the people of Mariaville in the House of Representatives as your voice in Augusta. It has been my honor to represent District 136 as Maine citizens continue to face many challenges. As I complete my fourth term in the House of Representatives, I look forward to working with fellow legislators across the aisle and with the Governor to find solutions to the long term problems that we face, in hopes of ensuring an effective and efficient government that handles your taxpayer money with the responsibility it demands.

During my eight years in the Maine Legislature, I am most proud of my work for Maine citizens to pay off Maine's hospital debt, enact real welfare-to-work reform, obtain crucial funding for career training programs, the implementation of three historic income tax cuts, pension and regulatory reform, and most recently holding the line against new tax increases during the 2018-2019 Biennial State Budget negotiations. The work in the Legislature to support our most vulnerable citizens has been very important and I am hopeful to see it continued into the future.

I will continue to sit on the Joint Standing Committee on Health and Human Services into the Second Session of the 128<sup>th</sup> Maine Legislature, working hard to run an efficient and effective government for the citizens of District 136. If you would like to receive my weekly e-newsletter or if you have any questions or concerns about your state government please send an email to [Richard.Malaby@Legislature.maine.gov](mailto:Richard.Malaby@Legislature.maine.gov).

Sincerely,

Richard Malaby  
State Representative

## Independent Auditor's Report

To the Selectmen  
Town of Mariaville, Maine

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Mariaville as of and for the year ended June 30, 2017, and the related notes to the financial statements, as listed in the table of contents.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Mariaville as of June 30, 2017, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## **Other Matters**

### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the budgetary comparison information on page 14 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

The Town of Mariaville, Maine has not presented a management's discussion and analysis that accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of the basic financial statements.

### *Other Information*

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The other supplemental schedules as listed in the table of contents on pages 15 - 17 are presented for the purpose of additional analysis and are not a required part of the basic financial statements of the Town of Mariaville. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material aspects in relation to the basic financial statements taken as a whole.

TOWN OF MARIAVILLE, MAINE  
NOTES TO THE FINANCIAL STATEMENTS  
JUNE 30, 2017

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The accounting policies of the Town conform to generally accepted accounting principles (GAAP) as applicable to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the government's accounting policies are described below.

**A. Financial Reporting Entity**

The Town of Mariaville, Maine was incorporated in 1836 under the laws of the State of Maine. The Town operates under a selectman-manager form of government and provides the following services: public safety, highways and streets, public health, education, public assistance and general administrative services. In evaluating how to define the reporting entity for financial reporting purposes, management has considered all potential component units for which the primary government is financially accountable. Financial accountability is defined as appointment of a voting majority of the components unit's board, and either a) the ability to impose will by the primary government, or b) the possibility that the component unit will provide a financial benefit to or impose a financial burden on the primary government. Application of this criterion and determination of type of presentation involves considering whether the activity benefits the government and/or its citizens, or whether the activity is conducted within the geographic boundaries of the government and is generally available to its citizens.

It is the Town's judgment, based on all pertinent facts derived from the analysis of these criteria, that there are no entities that would be considered potential component units within the Mariaville that should be included as part of these financial statements.

**B. Government-wide and Fund Financial Statements**

The government-wide financial statements (i.e. the statement of net position and the statement of activities) report information on all of the nonfiduciary activities of the Town. The effect of material interfund activity has been eliminated from these statements. Governmental activities, which normally are supported by taxes and various intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support.

The statement of activities demonstrates the degree to which the direct expenses of a given function, segment, or program are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include 1) charges to customers or applicants who purchase, use or directly from goods, services, or privileges provided by a given function or segment and 2) grants and standard revenues that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for governmental funds and fiduciary funds, if applicable, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds are reported as separate columns in the fund financial statements.

TOWN OF MARIAVILLE, MAINE  
NOTES TO THE FINANCIAL STATEMENTS  
JUNE 30, 2017

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

***C. Basis of Accounting, Measurement Focus, and Basis of Presentation***

The government-wide financial statements (i.e. the statement of net position and the statement of activities) report information on all of the nonfiduciary activities of the Town. The effect of material interfund activity has been eliminated from these statements. Governmental activities, which normally are supported by taxes and various intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support.

The governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. The Town considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when the fund liability is incurred. However, debt service expenditures (if any) are recorded only when payment is due. Those revenues susceptible to accrual are property taxes, interest, and charges for services. Other receipts and taxes become measurable and available when the cash is received by the Town and are recognized as revenue at that time.

Entitlements and shared revenues are recorded at the time of receipt or earlier if the susceptible to accrual criteria are met. Expenditure-driven grants are recognized as revenue when the qualifying expenditures have been incurred and all other grant requirements have been met.

The Town reports the following major governmental funds:

The general fund is the Town's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The capital fund is used to account for financial resources received for the construction of major capital projects.

Other governmental funds (consisting of the cemetery fund) represent funds restricted for specific purposes.

***D. Assets, Liabilities and Equity***

***1. Deposits and Investments***

The Town's cash and cash equivalents are considered to be cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition.

State statutes authorize the Town to invest excess funds in accounts or deposits of financial institutions provided the institutions are insured by Federal depository insurance or credit union insurance, U.S. Government obligations, and in money market mutual funds, provided that the fund is limited to investing in obligations of the U.S. Government.

TOWN OF MARIAVILLE, MAINE  
NOTES TO THE FINANCIAL STATEMENTS  
JUNE 30, 2017

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**2. Receivables and Payables**

Revenues for the most part are recorded when received, except that amounts have been recorded as receivables for amounts due from other governments. Transactions between funds that result in outstanding balances are reported as due to/from other funds.

Certain grants received from other governments require that eligible expenditures be made in order to earn the grant. Revenue for these grants is recorded for the period in which eligible expenditures are made.

**3. Capital Assets**

Capital assets, consisting of land, buildings and equipment are reported in the applicable governmental activities columns in the government-wide financial statements. Capital assets are defined by the Town as assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of one year. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation. Infrastructure assets (eg. roads, bridges and similar items) are being reported prospectively beginning in fiscal year 2006 in accordance with GASB 34.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed. Property, plant, and equipment is depreciated using the straight line method over the following estimated useful lives:

<i>Assets</i>	<i>Years</i>
Buildings	15 - 60
Equipment	10 - 20
Transfer Station	30

**4. Compensated Absences**

The Town provides vacation and sick leave to its employees in varying amounts. All vacation time is required to be taken in a timely fashion or is forfeited. Sick time does not vest. Accordingly, there is no liability for compensated absences on the Town's financial statements.

**5. Long-term Obligations**

In the government-wide financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities financial statements, if any. In the fund financial statements, governmental fund types recognize the face amount of debt issued as other financing sources, if applicable.

**6. Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

TOWN OF MARIAVILLE, MAINE  
NOTES TO THE FINANCIAL STATEMENTS  
JUNE 30, 2017

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**7. Fund Balances**

In accordance with Government Standards Board 54, Fund Balance Reporting and Governmental Fund Type Definitions, the Town of Mariaville classifies governmental fund balances as follows:

*Non-spendable* – includes fund balance amounts that cannot be spent either because it is not in spendable form or because of legal or contractual constraints.

*Restricted* – includes fund balance amounts that are constrained for specific purposes which are externally imposed by providers, such as creditors or amounts constrained due to constitutional provisions or enabling legislation.

*Committed* – includes fund balance amounts that are constrained for specific purposes that are internally imposed by the government through formal action of the highest level of decision making authority and does not lapse at year-end. Fund balance may be committed by Board of Selectmen action.

*Assigned* – includes fund balance amounts that are intended to be used for specific purposes that are neither considered restricted or committed. Fund balance may be assigned by the elected selectmen of the Town.

*Unassigned* – includes positive fund balances with the General fund which has not been classified within the above mentioned categories and negative fund balance in other governmental funds.

The Town has no formal revenue spending policy for programs with multiple revenue sources. For purposes of fund balance classification, expenditures are to be spent from restricted fund balance first, followed in order by committed fund balance, assigned fund balance and lastly unassigned fund balance.

The Town does not have a formal minimum fund balance policy.

**8. Deferred Inflows of Resources**

In addition to liabilities, the balance sheet will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The government has only one type of item, which arises under a modified accrual basis of accounting that qualifies for reporting in this category, unavailable revenue from property taxes. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available.

**E. Subsequent Events**

The Town has considered all subsequent events occurring through January 24, 2018, the date the financial statements were available to be issued.

TOWN OF MARIAVILLE, MAINE  
NOTES TO THE FINANCIAL STATEMENTS  
JUNE 30, 2017

**NOTE 2 – STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY**

**B. Budgetary Information**

Annual budgets are adopted on a basis consistent with generally accepted accounting principles for the Town's governmental funds. The budget is adopted by the townspeople during the month of March at a town meeting.

Encumbrances are not liabilities and therefore, are not recorded as expenditures until receipt of material or services. For budgetary purposes, appropriations lapse at fiscal year-end unless designated as carry forwards at the Town meeting.

**C. Budget/GAAP Reconciliation**

The Statements of Revenues, Expenditures and Changes in Fund Balance-Budget and Actual (Schedule 1) presents financial data on a budgetary basis for the governments' general fund. The differences are that designations are recorded as the equivalent of expenditures (budget) as opposed to a reservation of fund balance (GAAP) and as required by generally accepted accounting principles.

**NOTE 3 – DEPOSITS AND INVESTMENTS**

Deposits

*Custodial credit risk* – In the case of deposits, this is the risk that in the event of a bank failure, the Town's deposits may not be returned to it. As of June 30, 2017, the Town had a bank balance of \$620,247 of which \$250,000 was covered by federal depository insurance. The remainder is secured by a third party pledge agreement by the bank. The Town had cash on hand of \$100 at year end.

Investments

For an investment, the custodial credit risk is the risk that in the event of the failure of the counterpart, the Town will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The Town does not have a formal policy regarding credit risk. Maine statutes authorize the Town to invest its municipal revenues in obligations of the U.S. Treasury and U.S. agencies, repurchase agreements and certain corporate stocks and bonds.

As of June 30, 2017, investments were held in a brokerage account at Fidelity Investments and consisted of:

	<u>Cost</u>	<u>Market</u>
Corporate Bonds & Notes	\$ 148,549	\$ 150,419
US Government Obligations	374,973	370,552
Money Market Accounts	<u>17,459</u>	<u>17,459</u>
Total Investments	\$ <u>540,981</u>	\$ <u>538,430</u>

TOWN OF MARIAVILLE, MAINE  
NOTES TO THE FINANCIAL STATEMENTS  
JUNE 30, 2017

**NOTE 4 – PROPERTY TAX**

The Town's property tax was levied September 14, 2016 on the assessed value listed as of April 1, 2016 for all real property located in the Town. The assessed value for the list as of April 1 upon which the levy was based was \$72,269,300, which includes Homestead Exemptions of \$2,179,100.

Taxes are billed annually and were payable October 15, 2016 and February 2, 2017 with interest at the rate of 7% being charged on taxes unpaid after the respective due dates.

The Town is permitted by the laws of the State of Maine to levy up to 105% of its net budgeted expenditures for the related fiscal period. The amount raised in excess of 100% is referred to as overlay and amounted to \$15,848 for the year ended June 30, 2017.

**NOTE 5 – CAPITAL ASSETS**

Capital asset activity for the year ended June 30, 2017 was as follows:

	Beginning Balance	Increases	Decreases	Ending Balance
<b>Governmental Activities:</b>				
Capital assets not being depreciated				
Land	\$ 133,124	\$ -	\$ -	\$ 133,124
Capital assets being depreciated				
Buildings & Improvements	1,260,081	-	-	1,260,081
Roads	116,014	-	-	116,014
Equipment & Other	123,796	-	-	123,796
Total capital assets being depreciated	1,499,891	-	-	1,499,891
Less accumulated depreciation	(640,924)	(35,508)	-	(676,432)
Net capital assets being depreciated	858,967	(35,508)	-	823,459
<b>Governmental Activities Capital Assets, Total</b>	<b>\$ 992,091</b>	<b>\$ (35,508)</b>	<b>\$ -</b>	<b>\$ 956,583</b>

Depreciation expense was charged to functions/programs of the primary government as follows:

<u>Governmental Activities</u>	
General Government	\$ 3,667
Highways & Streets	14,645
Public Health	2,301
Education	14,895
Total Depreciation Expense - Governmental Activities	<u>\$ 35,508</u>

TOWN OF MARIAVILLE, MAINE  
NOTES TO THE FINANCIAL STATEMENTS  
JUNE 30, 2017

**NOTE 6 – GENERAL FUND BALANCES CARRIED**

The following funds were unexpended as of June 30, 2017 and were carried forward into the operations of fiscal year 2018.

Account Name	Unrestricted/ Committed
Recreation	\$ 2,071
Legal Fees	9,107
Animal Control	4,021
Recycling Program	12,154
Town Roads - Maintenance	61,135
Town Roads-Major Improvements	35,015
Town Roads - Paving	30,000
Town Roads - Bridges	2,055
Update Comprehensive Plan	3,040
Street Signs	3,625
	<u>\$ 162,223</u>

**NOTE 7 – CONTINGENT LIABILITIES AND RISK MANAGEMENT**

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time, although the Town expects such amount, if any to be immaterial.

The Town is exposed to various risks of loss related to torts, theft of, damage to, and destruction of assets, errors and omissions, injuries to employees and natural disasters. The Town purchases commercial insurance for the risk of losses to which they are exposed.

---------	------------------

As superintendent of schools, I am honored to provide this letter as part of your town report. Please find in the following paragraphs, some important information that helps to explain our school district. Regional School Unit #24 serves children in nine Hancock County and Washington County communities. The district provides

the educational services for five schools and 989 students including general administration, centralized business services, food service, transportation, technology support and integration, and special education programming. Regional School Unit #24 employs 230 local citizens in a full range of professional and support positions. Funding for the district comes from several sources. State funding, determined by the Essential Programs and Services formula, bases state aid on local property valuations and the number of resident students. RSU #24 received \$2,269,537 in state funding for the present fiscal year accounting for 14.1% of our \$16,127,920 budget. The

Town of Mariaville contributed 5.64% of the local cost of education. In addition to these sources, the district receives federal funding for several categories of services and also takes every opportunity to apply for grant funding to supplement educational programming.

RSU #24 provides for the education of sixty-seven students who reside in Mariaville. Presently thirty-seven students attend Beech Hill Elementary School in Otis. Beech Hill School is a community school with a focus on teaching and learning that is supportive, challenging, and meaningful. The Beech Hill faculty and staff have established goals to support the social, emotional, and academic growth of each of their students. They are committed to being as transparent as possible as well as involving their communities in this work.

Of the remaining students, three elementary students attend Cave Hill School, and two elementary students attend Mountain View School. Seventeen secondary students attend Ellsworth High School. Eight additional Mariaville students attend schools outside the district including Ellsworth Elementary School, John Bapst High School, George Stevens Academy, Blue Hill Harbor School, Maine Virtual Academy and the Maine Connections Academy.

I feel very fortunate that our school district has the continued support of our towns. Your understanding of how important education is to our

students is greatly appreciated. We work hard to provide a quality education that respects the hard-earned money of our community members. If you have any questions regarding your school or the school district, please don't hesitate to contact my office at 422-2017.

Michael Eastman, Superintendent RSU #24

## **TO THE CITIZENS OF MARIAVILLE**

Because of the Town of Mariaville joining the RSU #24 which encompasses 9 towns, the annual financial statement and supplementary data with independent auditor report for the year ended June 30, 2017 has expanded to 79 pages from our annual report of 9 or 10 pages. The information contained in this report is for all RSU member towns and does not break down information by individual towns.

In order to hold down printing costs of the town report the Select Board of Mariaville has decided to not include this report in this year's annual report.

There will be a copy of this report on file at the Mariaville Town Office for anyone to see. There will also be a copy available at the annual town meeting.

Thank you

Mariaville Select Board

**Assessor's Report  
2018 – 2019**

To date, the improving economy has not produced significant changes to the local real estate market. Even a return to increasing property values would probably not bring about immediate rises in assessments. Issues with the water level in Graham Lake have also not shown the necessity to alter current assessments. It is suspected that the situation would have to become permanent in order to necessitate a change.

Municipal assessments are generally level and town-wide adjustments would affect taxpayers equally. Increases or decreases in assessed values would simply be met with corresponding decreases or increases in the mil rate. Taxes would remain about the same. Future modifications will be made whenever required. Mariaville assessing meets Maine Revenue Service guidelines for average ratio and assessment quality.

The town's assessing records are in good order. I am available not only during regular hours at the town office but by telephone at other times when I receive calls from taxpayers and non-residents seeking information. I enjoy working in Mariaville and appreciate the business of the people of this community. It is a pleasure to act as your assessor.

Mark J. Gibson, Assessor

## **Volunteers Needed -Make A Difference In Your Communities**

In 2017 our volunteers continued their public service providing fire protection and emergency medical services to the towns of Mariaville and Otis. **Our volunteer members donated a total of 1,475 hours of service to our communities.**

494 hours for emergency calls, 205 hours of mandatory training, 24 hours in meetings, 300 hours mandatory monthly maintenance, 340 hours training, along with 112 hours in fire prevention education at the Beech Hill School and community events.

The Mariaville Volunteer Fire/Rescue Department responded to 91 Calls in 2017.

EMS – 28 in Mariaville and 31 in Otis

FIRE – 14 in Mariaville and 13 in Otis

We provided mutual aid to our neighboring communities of Ellsworth, Amherst, Aurora and Osborn, with 5 calls, 3 were FIRE calls and 2 were EMS calls.

## **Volunteers Needed - There's A Job For Everyone**

**We encourage anyone interested to come see us and join in any capacity.**

**We meet every Wednesday night at 7:00pm to 9:00pm at the fire station.**

We are continuing our search to upgrade our 2001 EMS/Rescue vehicle and are still working towards a new fire station.

Burning permits are required anytime of the year. The permits can be obtained by contacting Town Fire Warden Scott Baron at 584-2044, Deputy Fire Warden Scott Austin at 537-5200, Deputy Warden Karen Murray at 537-3165 and at the town office by Deputy Fire Warden Cindy Sargent or Ruth Bartelt, during town office hours only. There is no cost for a burning permit.

---

As your Animal Control Officer I'm here to help anyway I can. Generally, most questions can be answered at the Town Office, however, should you require ACO services please don't hesitate to give me a call. The following is a list of calls we have had this year.

Stray Cat-Pyles Road

Nuisance Dog Complaint- Frost Mill Road

Dog At Large- Frost Mill Road

Dog At Large- Old Hay Road

Dog Bite- Old Hay Road

Nuisance Beaver Complaint- Orrin Road

Lost Dog- Frost Mill Road

Jeremy B. Barnes-Animal Control Officer

**What's For Suppa? Food Pantry**  
**1675 Mariaville Road, Mariaville ME 04605**

Dear Residents of Mariaville,

The Pantry continues to be a help to our neighbors. Here are some numbers:

In the past year we have served 48+ families from Mariaville, Otis, Amherst and Osborne. We gave out over 23,000 pounds of food to these families.

We have two wonderful ladies from the University of Maine Extension Office that bring produce, cooking utensils, potholders and recipes. We were deeply moved to have the great turnout for the Community Harvest Dinner, with so many people contributing and helping.

Our Pantry is open the first and third Wednesday of each month. We also have delivered to people who may need food between times.

The Pantry is completely run by volunteers. The help we have received from people and organizations in the community includes contributions of food, services, equipment, transportation of food, and hundreds of volunteer hours. We want to thank everyone who has helped keep our Pantry going.

We are asking for your continued support of our pantry at \$2,000. Because of our ability to purchase food at better-than-wholesale prices, each \$1 we receive feeds a family of 4 one meal.

If you would like a tour of our Pantry or want to find out how you can get involved, please call us at 537-3412.

On behalf of all of us at the Pantry, our heartfelt thanks,

Located at the Mariaville Grange - Open 1<sup>st</sup> and 3<sup>rd</sup> Wednesday of Each Month or By Appointment. Tel: 537-3412  
Mailing Address: 1675 Mariaville Road, Mariaville, ME 04605

## Mariaville CEO Report

The code enforcement officer is responsible for assisting the citizens of Mariaville with permitting for construction of new homes, additions, accessory uses, home occupation permits, roadside stands, driveways off town roads, driveway construction in the shoreland areas, septic systems and plumbing permits for interior plumbing. The CEO also assists in the administration and enforcement of the land use ordinance, shoreland zoning ordinance, flood plain ordinance and subdivisions. The CEO also assists the planning board in many capacities.

Code Officer Steve Salsbury is certified in all components of land use, shoreland zoning, legal aspects and plumbing (internal and external) by the State Of Maine, and is also certified in the State Of Maine building codes, both residential and commercial. The code officer does not maintain regular office hours, but will gladly respond to a phone call at 266-0106 or via email at [codeenforcement@rivah.net](mailto:codeenforcement@rivah.net)

Building activity in 2017 was about the same as 2015 and 2016. Only one new residence/camp was permitted in Mariaville during the calendar year of 2017. There were several additions, accessory buildings and leach fields constructed as well. Total building, land use and plumbing fees received for the 2017 calendar year totaled \$4,304.81. The number of permits issued in 2017 was 27, compared to 31 in 2016.

The permits breakdown as follows:

10 permits were issued in Shoreland

1 permit was issued for new dwelling unit/camp

5 permits for accessory structures

0 permits for decks

5 permits for additions to existing structures

0 mobile home replacements

7 plumbing/septic permits

1 alteration/repair permit

2 driveway permits

1 recreational vehicle permit

1 demolition permit

There were a few complaints regarding zoning violations that I investigated and got corrections on during 2017. As of the writing of this report, there are no outstanding violations that we know about.

I urge those of you considering any structural changes or additions in the shoreland areas to contact me prior to and during construction so as to maintain compliance with the building and land use ordinances. Remedial construction work gets very expensive. Adherence to the ordinances and your approved permits saves us all time and will allow you to best utilize your property.

Camp renovations, Hopkins Pond

It is most important to realize that the code enforcement officer depends on the support of the select board, planning board and the citizens to facilitate the enforcement of the ordinances to ensure health, safety, and welfare within the community and the land you enjoy. Thank you for your continued support.

Regards,

Steve Salisbury

## THE WARRANT

To Ruth Bartelt, a constable of the Town of Mariaville in said County of Hancock. Greetings:

### THE ANNUAL TOWN MEETING OF THE TOWN OF MARIAVILLE

In the name of the State of Maine you are hereby required to notify and warn the voters of the Town of Mariaville, in the said county, qualified by law to vote in Town affairs, to meet at the Beech Hill School in Town of Otis on Monday the 26th day of March A.D. 2018 at 7:00 o'clock in the evening, then and there to act on the following articles, to wit:

#### ARTICLES

1. To choose a Moderator.
2. To vote what salary shall be paid to Municipal Officers.

First Selectperson	\$1,500
Second and Third Selectpersons	\$800 each
Registrar of Voters	\$500
Planning Board Chairman	\$600
Planning Board Members (3)	\$400 each
Appeals Board Members (3)	\$100 each
Code Enforcement Officer	\$26 per hour plus mileage
Animal Control Officer	\$35 per call & miles plus court time @10/hr
Health Officer	\$500

3. To choose all necessary officers for the ensuing year.

Third Selectperson	Three Years
Road Commissioner	One Year
Planning Board Chairperson	Three Years

4. To see what salary shall be paid to the Administrative Assistant.  
(Selectmen recommend \$37,000.00.) (\$36,000 Last Year)
5. To see if the Town will vote to raise and appropriate \$104,297.00 for the administration of the Town. (\$104,795) (Decrease of 0.5%)

6. To see if the Town will vote to fix a date when taxes shall be due and payable and to see if the Town will fix a date from which interest will be charged on unpaid taxes. Recommend one half of taxes of \$100 or more due 30 days from commitment, second half due 180 days from commitment, taxes of less than \$100 due 30 days from commitment; recommend 7.0% interest from due dates.
7. To see if the Town will vote to authorize the Tax Collector or Treasurer to accept the prepayments of taxes not yet committed pursuant to 36 M.R.S.A. §506, and to set the interest rate at 3% to be paid by the Town on any portion of such payment that exceeds amount finally committed. (From date of prepayment to date of commitment)
8. To see if the Town will vote to set an interest rate of 3.00% to be paid by the Town on 2018 taxes paid and later abated. (From date of payment to date of abatement)
9. To see if the Town will vote to pay from the 2018-2019 Overlay, tax abatements and applicable interest granted.
10. To see if the Town will vote to authorize the Selectmen to dispose of tax acquired property as follows:
  - (A) Return ownership to the most recent owner after all required taxes, interest and costs have been paid, including estimated taxes for the upcoming tax year when necessary, or
  - (B) Following 12 months after the foreclosure date the property may be put up for sale by public bid. Select Board may reject any or all bids.
11. To see if the Town will vote to raise and appropriate \$10,200 for the Assessor Annual Update for the fiscal year 2018-2019. (\$9,600)
12. To see if the Town will vote to raise and appropriate \$5,500 to be added to the Town Hall Improvement Account for a new electronic sign at the Town Office Building.
13. To see if the Town will vote to appropriate the income generated by the Planning Board responsibilities to pay Planning Board expenses and Code Enforcement Officer and Licensed Plumbing Inspector salaries and costs. (Income from building permits, subdivision permits, and other fees)
14. To see if the Town will vote to authorize the Selectpersons to appropriate from Capital Reserve a sum not to exceed \$5,000 as they deem advisable to meet unanticipated expenses and emergencies that occur during the fiscal year 2018-2019.
15. To see if the Town will vote to raise and appropriate \$31,734 to pay the County Tax. (This an increase of 1.7%) (\$31,205 for last year)
16. To see if the Town will vote to raise and appropriate \$1,620 for the Town's share of costs of operating the Regional Communication Center (911 Dispatch). (Last year \$1,485)
17. To see if the Town will vote to raise and appropriate \$77,000 for the operation of the Transfer Station. (*Last year was \$70,000*)

18. To see if the Town will vote to appropriate up to \$7,500 from the legal continuing account for use in the event that the \$2,000 for legal fees included in the Administrative account becomes exhausted during the year. (*Account balance approx. \$9,107 as of July 1, 2018*)
19. To see if the Town will vote to appropriate \$15,000 for the maintenance of Town roads and bridges, from the continuing road maintenance account, with any unspent funds returning to the continuing road maintenance account. (*Current balance approx. \$28,000*)
20. To see if the Town will vote to appropriate \$400 from street sign reserve account to purchase and install new or replacement street signs. Any unspent funds to go to the street sign reserve account. (*Account balance approx. \$2,487 as of July 1, 2017*)
21. To see if the Town will vote to appropriate the LRAP (Local Road Assistance Program) payments from the State for capital improvements to roads, to the continuing account for Major Improvements to Town Roads. (*LRAP account balance approx. \$15,104 as of July 1, 2017.*)
22. To see if the Town will vote to raise and appropriate \$10,000 to be placed in the continuing account for paving Town roads in future years. (*Account balance approx. \$40,000 as of July 1, 2017.*)
23. To see if the Town will vote to raise and appropriate \$117,000 for snow removal costs. (\$80,000 from excise tax revenue, raise \$37,000.)
24. To see if the Town will vote to appropriate the balance of Excise Tax receipts (above the \$80,000 appropriated for snow removal) to the continuing road account.
25. To see if the Town will vote to raise and appropriate \$5,000 for Ambulance Services. (\$4,617)
26. To see if the Town will vote to raise and appropriate \$6,000 (Raise \$5,000 and appropriate \$1,000 from the continuing cemetery maintenance account.) for the care and maintenance of our cemeteries, with any unspent funds returning to the continuing cemetery maintenance account. (*Account balance approx. \$2,384.00 as of July 1, 2017*)
27. To see if the Town will vote to allow the Selectpersons to make payments for general and emergency assistance from unexpended funds.
28. To see if the Town will vote to raise and appropriate \$1,610 to maintain membership in Maine Municipal Association. (\$1,475)
29. To see if the Town will vote to raise and appropriate \$850 to maintain membership in Hancock County Planning Commission. (\$825)

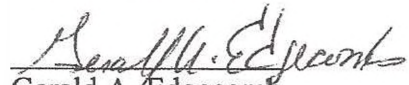

30. To see if the Town will vote to raise and appropriate \$14,000 for the Mariaville Volunteer Fire Department for continued fire protection, rescue and emergency medical services. (\$14,000)
31. To see if the Town will vote to raise and appropriate \$16,981 (Raise \$5,000 and appropriate \$11,981 from the continuing account for the Mariaville Fire Department Equipment Reserve described in the Fire Department Future Goals Outline.) *(Any unspent funds will revert to the continuing account) (MVFD approx capital fund balance being held by the Town of Mariaville as of June 30<sup>th</sup> 2017 is approx. \$11,981) (\$5,000 was raised last year.)*
32. To see if the Town will vote to authorize the Selectpersons to pay forest fire protection costs not covered by insurance (the deductible or costs less than the deductible) out of capital reserve.
33. To see if the Town will vote to raise and appropriate \$1200 for the "Children's Summer Recreation Program". \$600 to be raised and \$600 appropriated from the Recreation Continuing Account. Money will be distributed by the Selectpersons at their discretion. Unspent funds will revert to the Recreation Continuing Account. *(Account balance approx. \$1,071 as of July 1, 2017)*
